TRIOS Care

TRIOS Only

Grow your business by producing in-house with 3Shape TRIOS Studio apps

3Shape TRIOS Design Studio®

Design and produce a broad range of restorations, including standard and screw-retained crowns, inlays, onlays, veneers and three-unit bridges.

3Shape Implant Studio®

Plan implant positions, and design and manufacture custom surgical guides and temporary screw-retained crowns in one workflow.

3Shape Splint Studio

Design and produce splints, night guards and mouth guards with a guided, fast and intuitive workflow.

3Shape Clear Aligner Studio

Access a complete solution that enables you to design and produce clear aligners in your clinic, with a high return on investment potential.

3Shape Indirect Bonding Studio

Plan bracket placement, and design and produce transfer media for indirect bonding.

Get a great start to intraoral scanning with 3Shape TRIOS

*** on subscriptions for TRIOS scanners within the same clinic

About 3Shape

3Shape is changing dentistry together with dental professionals across the world by developing innovations that provide superior dental care for patients. Our portfolio of 3D scanners and CAD/CAM software solutions for the dental industry includes the multiple award-winning 3Shape TRIOS® intraoral scanner, the 3Shape X1® CBCT scanner, as well as market-leading scanning and design

software solutions for both dental practices and labs. Two graduate students founded 3Shape in Denmark's capital in the year 2000. Today, 3Shape employees serve customers in over 100 countries from 3Shape offices around the world. 3Shape's products and innovations continue to challenge traditional methods, enabling dental professionals to treat more patients more effectively.
